INTRODUCTION

Lunathica has an IN section for performances that have been selected by the artistic direction, however, from 2024 it opened a new section for artists and passing companies who, due to geographical proximity, logistical reasons related to their tour, or any other reason they deem appropriate, wish to "stop" at the festival.

ORGANIZATION

The Festival is organized by Associazione Culturale I LUNATICI. Artistic Direction: Cristiano Falcomer.

SELECTION

Artists wishing to participate in the selection must complete the [Application Form](#) by **January 31, 2025**.

The organization will select the participants based on the submitted materials, contact the companies, and announce the list of selected artists by February 28, 2025.
